

**A MESSAGE FROM
PASTOR SCOTT MCDERMOTT**

We have launched The Crossing School of Supernatural Ministry in response to many prophetic words spoken over our church, that we are to be a training center for spiritual leadership. Through many years of seeking God and hearing Him speak, we believe this is our time to provide ministry training at The Crossing.

The Crossing School of Supernatural Ministry is not a place to simply enjoy a class or increase one's knowledge base in spiritual matters. It is a school to train leaders and prepare them for ministry in our church and beyond.

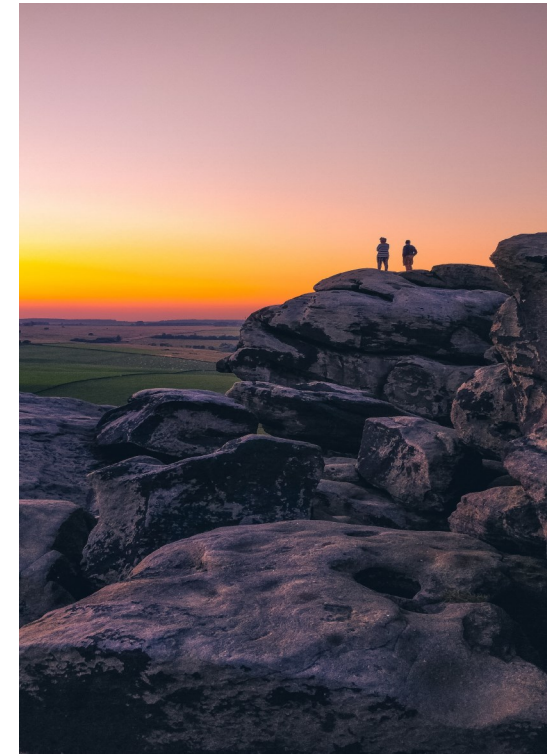

If you are serious in your walk with God and your desire is for wholehearted service to Christ, then prayerfully consider CSSM for your training.

Pastor Scott McDermott

Lead Pastor

**Take Your Leadership
To New Heights**

CSSM
**CROSSING SCHOOL OF
SUPERNATURAL MINISTRY**

School Overview

The Crossing School of Supernatural Ministry has partnered with Missio Global School of Ministry and Summit Bible College to offer an exciting program for ministry training. The students in CSSM now have some options in their training goals. First, they can complete the standard program and receive a diploma from CSSM/Missio Global. This program includes a one year basic option and a three year diploma of ministry. Second, a student can choose the "Degree Version" of the CSSM/Missio program. A student can choose the Associates Degree option or a Bachelors Degree option, which are approved through Summit Bible College.

If you already have a Bachelor or Master's Degree and desire an advanced degree in ministry, CSSM 3rd year graduates are eligible to enter a Master's or Doctoral program at Summit Bible College, upon the approval of the college, with reduced course requirements.

Vision and Mission

The Crossing School of Supernatural Ministry exists to train leaders who will powerfully and effectively minister in their God-given gifts and calling. Based at The Crossing and supported by The Crossing leadership, we follow the model of Jesus who trained and sent His twelve into the mission field. Our school exists to train leaders:

- ◆ To serve in our local church as ministry leaders
- ◆ To be sent out as church planters
- ◆ To serve as pastors and church staff members
- ◆ To be sent out from our church as home-based and international missionaries

World Missions & Culture

**Curriculum subject to change*

Curriculum Overview

More than a course in theology, The Crossing School of Supernatural Ministry focuses on practical Christian ministry. The curriculum is based on three domains of ministry training: Knowledge of the Bible (Knowing), Ministry Skills (Doing), and Personal Spiritual Formation (Being). Each module falls principally into one of these three domains, with every quarter including a module from each of the three domains.

Schedule

There are thirty-six modules (subjects), twelve per year. Classes meet once a week for three hours. Each quarter includes three modules. As such, twelve modules (subjects) are completed each year. Students also complete related ministry projects in their local churches.

Classes are held at The Crossing on Monday nights from 6:30 - 9:30pm, as well as some Saturdays.

- Q1 - Quarter 1**
To be determined
- Q2 - Quarter 2**
To be determined
- Q3 - Quarter 3**
To be determined
- Q4 - Quarter 4**
To be determined
